THE TALKING TECH POWER HOUR ON 24 NOVEMBER 2021

Are you interested in RaDAR and ultra-portable amateur radio? This month's Talking Tech Power Hour has special guest Eddie, ZS6BNE and he will be sharing interesting and entertaining insights into Rapidly Deployable Amateur Radio stations (RADAR) and ultra-portable stations. Everyone is welcome to join in from 19:00 CAT on Wednesday 24 November on the Sandton 145,700 MHz repeater and Echolink.

COUNCIL TO MEET ON 26 AND 27 NOVEMBER

The Council will meet face-to-face on Friday 26 and Saturday 27 November at the National Amateur Radio Centre. This will be the first face-to-face meeting since February 2019. Council will look at the arrangements for the 2022 AGM, the budget for 2022/23; the work of the SARL-100 working group; SARL Hamnet; the ICASA liaison; HF and VHF and above matters and more during the meeting.

IARU REGION 1 - DECEMBER 2021 YOTA MONTH

December is YOTA Month when several youngsters from Member Societies will become active on the air with YOTA as suffix in the call signs. From Wednesday 1 December to Friday 31 December 2021, international YOTA stations, operated by young amateurs in their teens and early 20s, will attempt to make many contacts worldwide with each other. This event is aimed at our young generation

and is an excellent opportunity for clubs to get youngsters on the air who are interested in or want to find out more about Amateur Radio.

It is not a formal contest, but a way to get our current young amateurs on the air contacting hundreds of other youngsters around the world. The SARL has registered the special call sign ZS9YOTA on the YOTA website for use by clubs and individuals during December. All radio amateurs are welcome to enjoy a QSO with the youngsters, be aware that some of them are new to the radio hobby, while others are more experienced.

To reserve a slot to use the ZS9YOTA call sign on a daily basis or for more information please contact Guy, ZS6GUY via e-mail at [guy.eales@se.com](mailto:guy.eales@se.com) or alternatively to Nico, ZS6QL at [zs6ql@mweb.co.za](mailto:zs6ql@mweb.co.za). The schedule and applicable rules will be available on the SARL website soon. Looking forward to hearing our younger generation on the air during December!

#### SARL TROPHIES AND AWARDS

On 2 November 2021, a SARL Communication was sent to members with information about the SARL Trophies and Awards, a call for motions for the 2022 AGM and nominations to serve on Council. This information is also in the November 2021 Radio ZS. Do not wait until Sunday 30 January 2022 to submit your motion or nomination – do it now!

You are listening to a news bulletin of the South African Radio League.

#### JOIN THE SARL AT THE HALF-YEAR RATE

Join the SARL from tomorrow and pay the half-year rate and get one month free. The Council has decided to institute the half-year rate from Monday 22 November 2021. WC Representative: John Watson, ZS1WJ

KZN Representative: Don Radford, ZS5DR

Member - Wally Watson, ZS6WLY

#### PROPAGATION REPORT

Hannes Coetzee, ZS6BZP, reports that the solar activity is expected to be at low levels. There are currently two active sunspot regions visible and there is a small possibility of C-class flaring. If you want to do your own frequency predictions, the expected effective sunspot number for the week will be around 10. The 15 to 30 m bands will especially during the late afternoons provide some good DX fun. Please visit the website [spaceweather.sansa.org.za](http://spaceweather.sansa.org.za) for further information.
